

Get outdoors

THE TOY INSIDER

As we head into the warmer months, it's a great time for kids to get outside and play! These toys are sure to get kids up, active and burning energy — all while having fun.

Active toys for fun and fitness

■ A classic active party game gets an outdoor makeover in Hasbro's Twister Splash. The colored dots spray water for a fun, new challenge. **\$19.99** at amazon.com.

■ Little ones age 1 and up can practice balancing and develop motor skills with the wooden, kid-powered Hape Scoot Around Balance Bike. **\$65.99** at Buy Buy Baby.

■ The classic Wham-O Frisbee is back from Winning Moves Games. This flying disc comes in retro packaging and is perfect for an outdoor game of catch. **\$14.99** at entertainmentearth.com.

■ Enjoy a game of Laser Tag at home — either indoors or outdoors — with the Laser X Revolution Ultra Long Double Blasters set from NSI. **\$49.99** at Target.

■ Kids can have a backyard foam battle with the FOM Mania Fomilator from Little Kids, which blasts streams of foam up to 15 feet. **\$14.99** at Target.

■ Aerobie's Sonic Fin Football is an aerodynamic, foam toy football that whistles as it flies up to 100 yards. **\$15.99** at Macy's.

■ The more kids run and move to make the wearable Fairy Bubbly Wings flap, the more bubbles will stream out of them. **\$14.99** at Kohl's.

■ The Waddle Hip Hoppers by Flybar are durable, inflatable bouncers shaped like different animals. Kids can get on, grab the handle and hop forward. **\$34.99** at flybar.com.

Pretty projections

Make movie night with these devices

USA TODAY NETWORK

Whether you're hosting an intimate at-home movie night or a backyard cinema showing, these projectors will meet all of your needs.
